

Speaking Exam

Dear Colleague,

Here you can find some sample items for speaking exam, monologue section. Please take into mind that the task instruction can be given in Persian. Also, take into account that items A, C, E are easier, so they can be used to assess less proficient students.

- A. You are asked to talk about your father and mother. Take five minutes and think about them. You can use the following table to take some notes before starting to talk.**

| Person | What is s/he like? | What does s/he look like? | What does s/he do every day? | What did s/he do yesterday? |
|--------|--------------------|---------------------------|------------------------------|-----------------------------|
| Father | | | | |
| Mother | | | | |
